Dear Sir:

Please amend the above identified application as follows:

IN THE SPECIFICATION

Please replace the paragraph beginning at page 4, line 24, with the following rewritten paragraph:

FIG. 1 is an elevational view, partially cross-section, of a valve utilizing the sealing arrangement constructed in accordance with the principles of the present invention;

Please replace the paragraph beginning at page 5, line 9, with the following rewritten paragraph:

FIG. 5 is a cross-sectional view similar to FIG. 4, but schematically showing an annular sealing member of a different cross-sectional shape from which the annular sealing member of FIGS. 1-3 could be formed.

Please replace the paragraph beginning at page 10, line 12, with the following rewritten paragraph:
